It's back to school and time to kick off the annual  
 SFPO Family Giving Campaign!

The Family Giving Campaign is how we support our school, students, and teachers. 100% of your generous donation goes directly towards funding our student's educational experience. We are so fortunate to be a part of such an exceptional school community and every contribution helps SRACS reach this goal.

Your contribution to the SFPO enables the organization to support the SRACS programs. Proceeds enhance the art, music, drama, science, and elective programs, and provides each classroom with hands-on educational technology, computers, equipment, and books. **Although the year is starting out very differently, we are finding that there are even more new needs arising in order to effectively teach our kids in the distance learning environment.** All purchasing and budget decisions are governed by the SFPO executive & voting board (parent group). Your participation and input are greatly encouraged, so please consider volunteering for the board. All monthly meetings are open to the public.

We are asking for a suggested donation of \$300.00 per student. We understand that some families may be able to give more and some less. Please donate a sum that is comfortable for your family. All donations are tax-deductible and are greatly appreciated! Check with your company (Keysight, Medtronic, Kaiser, PG&E, etc) about matching donations!

To increase efficiency and reduce handling, we have moved our donations online. Please visit [www.sracs-sfpo.org](http://www.sracs-sfpo.org). If you would prefer to divide your donation into a monthly contribution or have other special needs, please contact us at [sfpo@sracs-sfpo.org](mailto:sfpo@sracs-sfpo.org) and our treasurer will reach out to help facilitate your request. If you prefer to submit a check, please use the form below. Processing time may be delayed due to limited access to mail.
