Aug 1, 2020

Dear Charter School Families,

Welcome to Santa Rosa Accelerated Charter School (SRACS)! One of the core beliefs at SRACS is that a successful learning environment depends upon the active participation of parents, staff and the students. When we all work together transformational learning can happen! This school year will be quite different than past years, it will include new learning styles and opportunities as well as challenges. We look forward to working together with all the students, families, teachers and staff to make this an amazing year!

Supporting SRACS requires a certain level of commitment from our families. This commitment is two-fold, involving volunteering and economic support. The SFPO holds two major fundraisers per year, the Family Giving Campaign at the beginning of the year and a Gala Dinner/Auction in Feb or March if we're able this year. Our fundraising supports field trips, the purchase of books, computers, playground equipment, musical instruments, art supplies, staff professional development, as well as provides scholarships for camps held during the school year.

There are many opportunities to volunteer and participate in making SRACS the unique and special school that it is. A few options include working on the Auction Committee or on the Family Giving Campaign, being a room parent, assisting in the classroom, chaperoning field trips, creating the yearbook, or serving on the SFPO board.

We invite you to come to the monthly SFPO meetings (which will be held via Zoom until we can meet in person again). Two years go by quickly and we urge you to get involved early. Volunteering is not only valuable to our students and school but is also wonderful way to get to know other SRACS families.

Volunteer opportunities are listed on our Sign-Up Genius; please feel free to access this link to see areas of volunteering needs:

Once again, welcome to SRACS community!
